Reporting Suspected Neglect or Abuse

Concerns regarding a child's welfare can be reported by:

- Parents
- Teachers
- Friends
- the child or young person.

All allegations of neglect or abuse will be taken seriously. If a concern is reported directly by the child or young person we will not seek to disagree, ask probing or leading questions, or do anything else which may discourage them.

We will make it clear that reported concerns cannot be kept confidential but will need to be shared with a nominated member of staff or external organisation. Parents or guardians will also be involved if appropriate.

We recognise that early action is vital. Any concerns will be reported immediately.

If the child or young person is in immediate danger of harm, we will contact the police on *101*.

In all other cases, we will report concerns to the local Protection Team Hampshire County Council's Safeguarding Team.

Appropriate Physical Contact in Dance

Teaching dance is a physical activity and a teacher will sometimes need to make physical contact with a student to show an idea or to correct the student's position. This can include:

- Lifting
- Adjusting arms, legs, rib cage, hips, feet, hands
- Moving one student in relation to another

Where contact is needed, we will remain sensitive to the student's wishes and put their welfare first. In all cases, we will say why and how we will be correcting the student's position before making any contact.

We encourage students to report any concerns

Chaperoning Children to and from Dance Events

Parents or guardians will always chaperone their own child to outside events.

Appointed chaperones will be in attendance at the local biennial show

PARENTS WILL NOTE:

Where we have publicly displayed images at our school or on social media, parents and students may withdraw their permission at any time. In such cases, the images will be removed as soon as is reasonable and without question. Photographs at the biennial show are taken by a professional photographer only.
