

# September 2020

## Uncertain Times

I am delighted that we are back from September 15<sup>th</sup> (Oct 10<sup>th</sup> for Standard 1) though with a reduced timetable for now. Managing the school half-termly means greater flexibility so keep your eyes open for possible later changes – we'll know how well things will work once we've got going. Thank you for all your lovely and supportive emails regarding Zoom lessons – I might ask if I can use some on the Testimonials page – what would I do without you?

*All details about everything you need to know are on the attachments emailed.*

*Please refer to these in the first instance.*

As a young but experienced teacher, I am delighted to announce that she will be joining us for Saturday classes. As things settle and we get used to the Covid regulations, she will gradually take over those classes. You can read her full biography on the About Us page. *Welcome, Miss Hannah!*

## YouTube Recordings

These are still available for revision of all levels. If you would like access to them, let me have the email address you use to log into your YouTube account and I will send the private links. *Please make a one-off donation for the series of classes you use.*

## Instagram and Facebook

Ideal for any last minute changes and many photos, especially the former, please check in as often as you can – I love reading your comments and messages and know you are still out there!

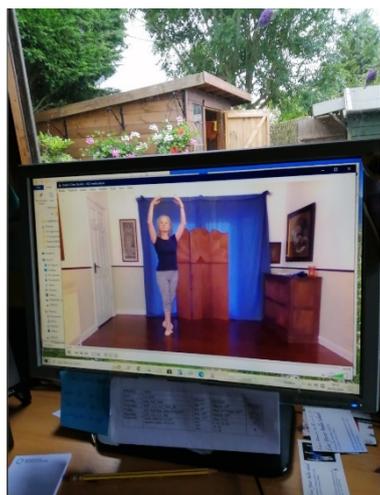

You can always spot us easily by our colours

## Certificates

Those who would have taken their Cecchetti Ballet exam in June have received an unofficial certificate in lieu, as all will be well past that point once on starting again in September. I don't want to hold anyone back – and new work is so exciting!

## Mrs P had fun before starting the Zoom classes and recordings.

Keep safe and well. See you all very soon
